

SEVEN ARROWS ELEMENTARY SCHOOL

UNIFORM ORDERING

UNIFORM INFORMATION

Shirts

All shirts must be school-issued and are available as olive or eggplant polos and t-shirts.

Bottoms

Bottoms are not school-issued and may be any variation of khaki-colored pants, shorts, skirts, or skorts in any comfortable fabric.

Outerwear

All outerwear must be school-issued and is available in a variety of school colors and fabrics. On exceptionally cold weather days, students may wear heavier, non-uniform outerwear, but must remove these items upon entering their classroom.

ORDERING AND SIZING

Eggplant t-shirts, polos, school outerwear, and spirit wear can be ordered through **Lands End**. Our preferred school number is **900187949**.

1. Head to "Find Your School" and enter our Preferred School Number on the [Land's End website](#) or use [our custom link](#).
2. To order uniforms, add a student profile to your customer account by entering their name, gender, and grade.
3. To order spiritwear, add a student to your customer account by entering their name, gender, and select "Spiritwear" instead of a grade.
4. Shop!

Please keep in mind the growth of your children during the school year as you consider your selections. We recommend families purchase at least 6-8 short sleeve shirts, 1-2 long sleeve shirts, and 2 outwear items to last a full year. We also suggest ordering adjacent sizes for students who are rapidly growing.

All families are encouraged to take advantage of the Uniform Grab, our organized opportunities throughout the school year to donate and reuse gently worn, no longer needed uniform items.
